ADITYA RANJAN

Web Developer | Full Stack Developer (MERN) | Frontend Developer (React.js)

Lucknow, India | +91-9628137355 | adityar0807@gmail.com | linkedin.com/in/aditya-ranjan-b3a85836b | github.com/Aditya-Ranjan08

PROFESSIONAL SUMMARY

B.Tech Computer Science graduate and Full Stack Developer (MERN) with hands-on experience building, testing, and deploying production-live web applications, RESTful APIs, and JWT-based authentication systems across two internships and independent projects. Skilled in HTML5, CSS3, JavaScript, React.js, Node.js, Express.js, MongoDB, and SQL, with working knowledge of Data Structures, Object-Oriented Programming, DBMS, and Operating Systems. Built a blogging platform with content management features and an admin dashboard. Experienced in API development and testing using Postman, Git/GitHub version control, debugging, and Agile team workflows. Strong problem-solving and collaboration skills, seeking an entry-level Web Developer, Frontend Developer, or Software Developer role to build responsive, user-focused web interfaces within a fast-paced team.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Python, SQL

Frontend: React.js, HTML5, CSS3, Bootstrap, Responsive Web Design

Backend & APIs: Node.js, Express.js, REST API Development, JWT Authentication, API Testing

Databases: MongoDB, MySQL, SQL

Tools & Platforms: Git, GitHub, Postman, VS Code, Clerk, Supabase

Core CS Concepts: Data Structures & Algorithms, Object-Oriented Programming (OOP), DBMS, Operating Systems

Practices: Debugging, Version Control, Responsive Design, Problem Solving, Team Collaboration

PROJECTS

Blogging Platform — MERN Stack

React.js, Node.js, Express.js, MongoDB, JWT Authentication

GitHub | Live Demo

- Developed and deployed a full-stack blogging platform using React.js, Node.js, Express.js, and MongoDB, currently live in production with JWT-based authentication securing all user sessions.
- Implemented complete CRUD functionality for posts and user accounts, enabling end-to-end content creation, editing, and management through a RESTful API layer.
- Designed and built an Admin Dashboard for centralized content and user management, delivering a responsive interface tested across desktop and mobile breakpoints.

Job Portal — Full Stack Application

React.js, Node.js, Clerk Authentication, Supabase

GitHub | Live Demo

- Built and deployed a full-stack Job Portal, live in production, integrating Clerk authentication and a Supabase database for secure, role-based user management.
- Engineered role-based dashboards enabling admins to create and manage job postings while allowing applicants to browse and apply seamlessly through a streamlined UI.
- Optimized backend query and API response handling and built a fully responsive frontend, improving usability and reducing friction across the application flow.

INTERNSHIP EXPERIENCE

MERN Stack Developer Intern — Softpro India *45 Days*

- Developed and maintained full-stack modules using MongoDB, Express.js, React.js, and Node.js as part of a live application development cycle.
- Built and integrated RESTful APIs to support CRUD operations, collaborating with the team to ship functional features within sprint timelines.
- Performed API testing and debugging using Postman, identifying and resolving defects to improve endpoint reliability before handoff.

Web Development Intern — Zidio Development *3 Months*

- Designed and developed responsive web applications using modern frontend and backend technologies, following Agile development practices.
- Built backend services and integrated them with MongoDB and MySQL databases to support core application functionality.
- Conducted debugging and API testing using Postman, collaborating with the team to improve application performance and reliability.

EDUCATION

Bachelor of Technology (B.Tech), Computer Science and Design *2022 – 2026*

Seth Vishambhar Nath Institute of Engineering & Technology, Barabanki | CGPA: 7.96 / 10

Intermediate (XII) *2022*

Blooming Children Inter College, Ambedkar Nagar, UP | 65%

High School (X) *2020*

Blooming Children Inter College, Ambedkar Nagar, UP | 78%

CERTIFICATIONS

- AI Fundamentals Training — Head Held High Foundation
- Cyber Security and Emerging Trends Workshop — Participant
- Tata GenAI Powered Data Analytics — Forage Virtual Experience Program
